

UNSHA SATTAR

Frontend Developer | MERN Stack | React.js | TypeScript

Karachi, Pakistan | +92 317 2166895 | unshak08@gmail.com

LinkedIn | GitHub | Portfolio

PROFESSIONAL SUMMARY

Frontend-focused MERN Developer with hands-on experience building responsive, user-centered web applications and integrating full-stack features. Strong foundation in React.js, TypeScript, JavaScript, Tailwind CSS, REST APIs, authentication, state management, and real-time communication with Socket.IO. Working experience with Node.js, Express.js, MongoDB, Firebase, and Supabase, plus modern deployment and developer tooling. Selected for the DataCamp Scholarship Program and currently developing cloud and AI foundations through AWS and AI Fundamentals learning. Strong believer in continuous self-learning and currently advancing skills through practical Next.js development.

TECHNICAL SKILLS

Frontend: React.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap, DaisyUI, Responsive Web Design

React & Application Development: React Router, Redux Toolkit, Zustand, Reusable Components, State Management, Form Handling, Protected Routes, Authentication, API Integration

Backend & Real-Time: Node.js, Express.js, REST APIs, Socket.IO, JWT, bcrypt, Mongoose

Databases & BaaS: MongoDB, Firebase, Supabase

Tools & Services: Git, GitHub, Postman, Axios, Cloudinary, Multer, Resend, Arcjet, Vercel, Netlify, Railway, Render

Currently Learning: Next.js, AWS Fundamentals, AI Fundamentals

PROFESSIONAL EXPERIENCE

Digital Product Development Intern - Innovelous Tech | Apr 2026 - May 2026

- Contributed to a full-stack Attendance Management Portal using React.js and Tailwind CSS, creating responsive interfaces and reusable frontend components.
- Integrated frontend workflows with REST APIs using Axios and tested API requests and responses with Postman.
- Supported real-time attendance functionality and AI chatbot integration while collaborating through Git/GitHub, feature branches, pull requests, code reviews, and technical discussions.

Frontend Developer Intern - Digitech Offerings (Remote) | Oct 2025 - Dec 2025

- Developed responsive React.js single-page applications using reusable components and React Router.
- Built mobile-friendly interfaces with a focus on usability, maintainable code, and consistent cross-device experiences.
- Modernized legacy CSS layouts using Tailwind CSS and collaborated remotely on frontend implementation and UI improvements.

SELECTED PROJECTS

Chatify - Real-Time Chat Application | React.js, MERN, Socket.IO, JWT, Zustand, Cloudinary

- Built a real-time chat application using Socket.IO with JWT authentication, protected routes, persistent sessions, and client-side state management with Zustand.
- Integrated Cloudinary, Resend, and Arcjet for media handling, email workflows, and application security services. Live: mern-chatify-app.vercel.app

Inkwell - Full-Stack Blog Platform | React.js, Node.js, Express.js, MongoDB, JWT

- Built responsive React interfaces connected to REST APIs with authentication, protected routes, and MongoDB-backed CRUD functionality.
- Implemented email verification, password reset, and multi-image uploads using Multer and Cloudinary. Live: advance-fullstack-blog-app-gq1tb.vercel.app

Dynamic React Portfolio | React.js, JavaScript, Bootstrap, Netlify

- Developed a responsive portfolio with reusable UI components, theme customization, animations, and an AI chatbot assistant. Live: reactive-dynamic-portfolio.netlify.app

EDUCATION & PROFESSIONAL DEVELOPMENT

Diploma in Web & App Development - Saylani Mass IT Training (SMIT)

BS Botany - Federal Urdu University of Arts, Science & Technology (FUUAST) | 2019 - 2022 | CGPA: 3.7

Certifications & Programs: Cisco Career Credentials in HTML, CSS & JavaScript | DataCamp Scholarship Program - DevOps & AI Engineering (2026-Present) | AWS & AI Fundamentals Learning | Active Hackathon Competitor

PROFESSIONAL STRENGTHS

Problem Solving | Self-Learning & Continuous Growth | Team Collaboration | Responsive UI Development | API Integration | Debugging & Troubleshooting
